BUSSELTON AEROFEST 2020

SUNDAY MARCH 1ST 2020 8.30AM TO 4.30PM

EXPRESSION OF INTEREST – FOOD VANS

The Busselton Aero Club is holding an airshow on Sunday 1st March 2020 at the Busselton Margaret River Airport, Neville Hyder Drive, Yalyalup, Busselton.

Our last Aerofest in 2016 attracted approx. 5000 visitors, and we are confident 6000+ visitors will attend the event in 2020 to witness the various static displays and the active flying displays of diverse aircraft from the military and public.

Flying displays will include parachutists, flyovers, formation flying, aerobatic displays and helicopters. Groundside static display will feature classic and hot rod cars; food vans; children's activities such as face painting, bouncy castles and climbing frames; community group interactive displays; local tourist service providers and local produce and retailers.

As there are no food outlets at the Airport, all coffee, food, ice creams and drinks will be provided by licensed food vans to accommodate all the attendees on event day.

Food Vans
